

**List of consultancy charges for cash sales clients.
These prices are strictly for C.O.D payments
at the time of collection only.**

Please ensure digital files are accompanied by a proof of some kind and are cropped/scaled correctly. Please also ensure your file is labelled correctly.

Otherwise the following costs will apply.

Page make up:

Cropping digital files

Generic or global colour & Density shifts, minor removal of black scanning spots

\$88.00* per hour minimum charge \$22.00*

Chargeable time is taken in 15 minute blocks

Retouching:

Selected Colour & density changes where paths are required

Image manipulation where paths are required. Removal of major scanning debris and structural changes to the image.

\$132.00* per hour minimum charge \$33.00*

Chargeable time is taken in 15 minute blocks

Scan & Print:

Scans for digital prints are kept by the Colour Factory for a brief period. If you wish to purchase your scan at any stage you can do so at ½ price so long as it is still on file. All requested or instructed work on scans will be charged as required.

Scanning:

\$22.00* per scan minimum charge

Scanning is charged by information collected @ \$1.10* per meg

Allocated time for clean up (10 minutes)

Dirty originals will attract retouching charges for additional work outside our normal allocated time per image (10 minutes) see retouching charges. We will notify you if retouching is required.

Test strips & proofs:

Proofs are produced on the machine and material of your final output will be on an A4 (210mm x 297mm) sized proof document at \$33.00* per proof

Test strips attract a 30% mark up on list price and you may need to be present while testing occurs. This procedure can affect dead lines as it depends on the availability of operators and work flow.

- GST inclusive at 10%

Please ensure all printable digital files are supplied on CD or DVD accompanied by a proof with the correct cropping, scaling and/or sizing. Any digital file(s) supplied on Portable hard drives, USB flash drives and/or flash cards will incur additional processing charges.

Alternatively, we offer an online FTP service at no additional cost. Please contact our Production department to obtain a username, password and instructions on how to setup your FTP service. Accounts are valid for 48 hours.
